WELCOME TO GONZAGA!

We want to be sure you're prepared and have the information you need before you arrive. Please use this checklist to help you access resources and complete important steps on your way to attending in the spring.

4.	 Update your emergency contact information by January 10, 2018.

3.	 Submit your ZagLiving application if you are living on campus.

2.	 Plan your registration with your advisor.

1.	 Check your new Gonzaga email (Zagmail) regularly.

As you prepare for Gonzaga, please review these important reminders:

As a Gonzaga student, you have been assigned a username, password and email address that provide you access to technology services, which are referred to as ZagNet. These include the student network in the residence halls, access to email, University computer labs, Blackboard and the automated library systems. In order to access these technology resources you will need to activate your account by creating a new password at gonzaga.edu/passwordreset. The password must be 8 characters minimum, include one uppercase, one lowercase, and one number. Please note that we must have your Social Security Number on file in order for you to access your Zagmail account. Contact the Office of Admission to provide your SSN if you did not list it on your application for admission. If you do not have an SSN, please contact our Information Technology Department at (509) 313-5550.

Gonzaga’s student email is hosted by Microsoft and is called Zagmail. Once you activate your account, you can access your email at https://zagmail.gonzaga.edu.

This email address will be used for ALL official communication from the University from now on. Please check it regularly so you don’t miss important updates! If you need assistance with this process, please call the IT Help Desk at (509) 313-5550 during the week, or email techsupport@gonzaga.edu.

The Office of Admission will send an email to your Zagmail and personal email accounts regarding contact with your registration advisor. Please wait to purchase textbooks until your schedule is finalized.

After submitting your ZagLiving application at gonzaga.edu/accepted, the Housing & Residence Life Department will send you an email regarding housing. Please note that your Rental Agreement states dates for arrival. Requesting an arrival date before the one listed in your Rental Agreement will require a request form and, if approved, charges will be applied to your account.
